“ Sincere sympathy to Joanne, Brian and family. I have great memories of so many experiences at Haycock Stables. Ben, Nara and I felt so included in so many aspects of life at their farm. Everyone there impacted our lives in ways still felt today with love of horses!

“ First,I would like to tell you all how sorry I am about Abe s passing. Next, I would like to share my favorite memory of Haycock Stable, Abe and Joanne also. Years ago, I used to come there with Larry and Lil Weiss (both, unfortunately gone also) to do team penning there. They would have the penning's almost every weekend, and we used to have the best times ever. It wasn't professional penning (although it prompted me to do it professionally) and that is what made it so fun. Abe and Joanne made it a great time all the time, no matter what kind of horse you had, or how well you could ride, we rode and chased cows and laughed continuously. We had so much fun.. Thank you for those great memories. Rose
