I knew Mr. Deysher from growing up in Cleona. I was fortunate to be a childhood friend of David, one of his two sons. Mark was a little younger than David, but certainly of the same great character that Mr. and Mrs. Deysher bestowed upon their children. I spent many days and nights at the Deysher household in those early years of which I have wonderful memories. Even after a long day at work, Mr. Deysher always had time to ask us about our day. He was a devoted husband, father and grandfather and a true role model, so infrequently found in today's world. David, my thoughts and prayers are with you and your family. You've been a great friend throughout the years and most recently helping me and my family in many aspects of my father's recent illness and passing. May the years of special memories of your father help you throughout these difficult times. GO A's!!! Love, Joe and Karen Matala
