“ I will remember my Aunt Diane by the way she listened to everyone. When you were talking she was never distracted, did not interrupt and listened intently. In thinking about her this week I was reminded how rare and special this is. She also had a great laugh.

I have great memories as a kid at her home in Mt Gretna.....hanging with Craig. She will be missed.

Jodi and I send our prayers to Bob, Maureen, Craig and the rest of our family.
