“ I started at ELCO in 1990 at the Middle School. Didn't know anyone. Sometime in early 1991 the HS and MS had some kind of joint in service. Jim came over and said hello and brought up Shepherd College, where I went. There is a big hill on top of a huge rock behind the visitors bench at the Shepherd football field. He asked me if I was one of those crazy people who stood up on the rock. I said sometimes. Some of the rock people heckled the visiting team. We both laughed and then I realized who he was. Star QB for Salem College in the WVIAC. I watched him play twice. He was really good, like why is he playing for Salem. Later at ELCO, he told me about his scholarship to Pitt. He saw the QB depth chart one day and he was 6th. He said there would have had to be a bus accident for him to ever play. So, a Division 1 QB transferred to Salem!

Whenever Jim and I crossed paths, he always had that smile and was always friendly. We all know he was a great teacher, coach, and motivator. But, he was one of the few people who was picked by the senior class to be the commencement speaker. What a high honor! I can think of no one who deserved it more.

“ I met Jim when he started teaching & coaching at Elco (through my friend Doug Bohannon). I remember a day when it was snowing, and Elco had a 2 hour delay, but Jim thought we should head for the ski slope even though Elco had not closed yet. This is pre cell phone days, and as we pulled into Ski Round Top we heard on the radio that Elco had closed for the day. We enjoyed a great day of skiing, and before our final run of the day Jim said lets race to the bottom (4 of us were skiing). Jim lined us up in a straight line "4 across the top" as he said and we had a great laugh at the bottom of the hill after a great day of skiing.

Jim always had a smile on his face, and he was a pleasure to be around. Thoughts and prayers to Jill and entire family

“ Coach Weaver was a wonderful man and had a large impact on my life. I met him for the first time at LVC football camp, as he was our future JH football coach, where I proceeded to drop a wide open touchdown pass and he pulled me aside and said, “ Ondo, I thought you were supposed to be good!” After that I always worked to be better and I still feel like Coach Weaver helped mold me into the man I am today. He was a great coach, my favorite teacher (strength training class), a mentor, and most importantly, a friend. I am saddened by his passing and I regret not being able to reconnect with him to catch up and fill him in on where life has led me. I’ll always be thankful for having such a strong role model in my formative years. Rest In Peace, Coach Weaver, you made an immeasurable impact on me. -Eric Ondo

“ So sorry to hear of his passing. He always had a smile on his face and everyone loved to be around him with his joking and having fun with us kids. He was the best Driver's Ed teacher to have the patience and courage to drive around with all of us learning how to drive, and great Track Coach and Football coach. He will truly be missed.
