“ Dianne & Family,

So many wonderful memories. She taught "life lessons" without even realizing she was imparting her wisdom on others. Her kindness shined through in her work life and her personal relationships. She was always ready to share a wonderful story about her children and grandchildren. I will always remember her fondly with a smile in my heart.

Tenderly may time heal your sorrow.
Gently may friends ease your pain.
Softly may Peace replace heartache.
And may warm memories remain.

You are in my thoughts and prayers.
In Friendship

“ My condolences to the family, Joyce was a very pleasant and happy person and a wonderful secretary to the lab. I was always happy to see her working because she could handle anything and answer any question. We missed her in the lab when she wasn't there.
