

Richard M. "Ric" Minetree, Sr.

April 2, 1966 - October 1, 2021

Richard M. "Ric" Minetree, Sr., 55, of Lebanon, passed away peacefully after a brief illness, surrounded by his family on Friday, October 1st, 2021.

Ric was born April 2nd, 1966, to Clinton and Gaye Minetree in Richmond, Virginia. In his high school years, he moved to Pennsylvania and has resided there ever since. Ric is survived by his loving wife of over 30 years, Lisa, his father Clinton, his Aunt Linda and husband Ken, siblings Clint and wife Cindy, Lisa and husband Tim, Tracy, and Jimmy, as well as his children Justin and wife Stephanie, Magen, Richard "Ricky" Jr., and Katelyn and husband Vince, grandchildren Navia, Aivan, LinMarie, Landen, and Mason, and numerous nieces and nephews.

Ric loved spending his days with his wife and best friend, Lisa. While they enjoyed all their time together, they particularly enjoyed taking out the cars for long drives, attending car shows, going out to dinner, and spending time hanging by the firepit with their dog Scrubs. His lifelong passion was all things Mopar. Ric loved spending time in his garage working on muscle cars, drinking beer, and hanging out with his friends. Ric was an honest, straightforward, hardworking man who would do anything for anyone. The quickest way to melt his heart was through his grandbabies.

While a formal service will not be held, a Celebration of Life will be hosted for family and friends at a later date. In lieu of flowers, please do a burnout.

Comments

“ You will be greatly missed my friend. Thanks for the memories of working for you, learning so much of muscle cars from time to time, beers we had together and for being such a great person and neighbor of many years. May you rest in peace and burnouts on my motorcycle will be in your memory!

“ Wow, I am speechless right now. My thoughts and prayers to the family. You were a good man. I was just thinking about stopping by the house. Raul and I were talking about having you look at a transmission for me. May you Rest In Peace. And If I can do a burnout in the freightliner tonight, I'll do it in memory of you.

“ You will definitely be missed my friend, you are the glue that put together a large group of individuals that would go to the car show in Pennsylvania every year. It's going to be hard to imagine not picking up the phone and hearing your voice. You are a damn good friend, and when you became his friend, you were family. Rest in paradise my friend, I'll see you when the day comes.
