

Winfield C. Gerber, Jr.

October 9, 1927 - March 21, 2021

Winfield C. Gerber, Jr., 93, formerly of Palmyra and residing at StoneRidge Poplar Run, went to be with His Lord and Savior on March 21, 2021.

He worked for the Hershey Company for 42 years. He was married to Doris (Chilcoate) for over 50 years. However, the matter to him was doing God's work. A well-read and highly spiritual person, for decades he visited the sick and terminally ill, had a door-to-door ministry, taught adult Sunday school, and held church leadership roles. Once he could no longer attend church, he ministered to those around him. Winning souls for Christ and spreading the greatness of God was his most important work.

While we know he welcomed the day he would be in God's presence, left to remember the smiling face and warm spirit of this beautiful soul are his daughter, Dori Gerber-Snody and his brother, Carl (Gloria). He was predeceased by his wife, son-in-law Gary Snody, and all but one of his brothers and sister.

Funeral services will be held at the convenience of the family.

“ Dori, I am so sorry to hear about your loss, but at the same time I can say that I am happy for my dear Brother and Mentor Winfield. I have never met a person who loved and dedicated their life to the Lord as he did, and was ready to go be face to face with his Lord. I'll never forget the day he and I sat in a front pew at NABC, and he asked me "how deep do you want to go to know the Lord" my answer was "as deep as the Lord would have me to go". Well, thanks to Winfield, here it is almost 18 years later and still growing deeper and deeper in the Lord's intimate love relationship with me. Winfield mentored me very closely for a number of years and then life minimized our sessions to the point of not seeing one another the last couple of years, but that didn't mean Brother Winfield was forgotten. Today I rejoice in his happiness. May you also. Elsie Lehman

“ For 37 years we saw him daily. He was one of our dear neighbors and when we moved far away, he would stay in contact now and then. As time progressed over the years, we lost contact, but that doesn't mean he was forgotten. The stories are still fond memories. Always though, he was a solid Christian...he lived what he preached. Doriann, you are not forgotten either. We send you prayers and wish you peace..we know Win is at peace.
