“ I’ve known Adrienne since the HMC days! I consider her more family than a friend. She’s both!! I’m going to miss our escapades whether it be shopping, hanging out , or glamping!! Adrienne had a generous heart and a great sense of humor. She was so proud of her children and her grandchildren! She always had something to tell me and she would be so happy about their accomplishments!! I have a void in my heart right now but I’m filling it up with the memories of our friendship!

“ Adrienne, your passing has really hit me hard. I’ll never forget the wonderful times we had as kids riding our bikes and going to the Fredericksburg pool, the racetrack in Fredericksburg, upstate. Heaven gained another angel. So sorry you had to go through this. Nobody deserves what you’ve been through. I feel so heartbroken for your entire family. I’ll never forget the times we had. God Bless you and your family.

“ I was so very sorry to hear about the passing of Adrienne. We were good friends back in the 80s and we both started working at the Med Center together on September 8, 1980 and that is where we met. We used to drive to work together and take a change of clothes so we could immediately go out after our evening shift. We shared a lot of good times. I was even in her wedding. My deepest sympathy to the family. Dolores Petruska

“ I will remember Adrienne riding shotgun in the Jeep with Dave out to the club when they were at Gray Squirrel. I remember how proud she was of her son being willing to serve our country and then the grandkids that she brought to camp. Her sweet, quiet smile will be greatly missed. Our prayers are with the family
