“ When I heard that Alberta passed my brother Roger and I were talking about how we enjoyed family visits with Glenn and Alberta and of course the children Glenn, Larry and Gloria when we were young children. We recall all the good Christian Fellowship and Church services together. We remembered when son Glenn first went away as a missionary and showed slides at church. I recalled going to Fantasyland with Gloria and her parents Alberta and Glenn when I was very young, a trip I always treasured as a child. We had many good times with Alberta and Glenn and their family and their Christian influence had a great impact on our lives. Alberta will be missed and sympathy and our prayers to the whole family at this trying time.
