I will always have my Uncle Allen and Bill in my heart doing the things that they taught me! I have a love and infatuation for the outdoors because of Allen, he taught me how to hunt and fish to provide for my family. He taught me to have respect for the life of the animals I have taken. He taught me how to be a man and treat people with respect and to not back down from doing the right thing. Allen and Bill were the male roles models in my life when I needed one most and I will do my best to make them proud. I love you uncle Allen.
