“ We wish to express our deepest sympathy on the passing of your mother. She seemed to be fully engaged in life and contributed greatly to the community. We have fond memories of her during our high school years. May your memories of happier times with your mother bring you comfort at this time of sorrow.

“ Alma and Hank were great neighbors for several years, along with their children, here in Penfield. She was like a grandmother to our children, especially to our daughter, our youngest child. We missed them when they moved back to PA, but visited them and have kept contact. Our thoughts and prays are with Alma, Hank and the entire family.

“ Alma was a very unique person. She always took time out of her life, to always send a card with a written note.. That was her way of keeping the family together.. I could see in her face how she totally loved her family and grandchildren.. She will very much, be missed by all!!
