“ I met Al, one of my first days at MSC. He was my freshman guide or mentor, do not exactly remember what they called it back than. He gave me information and an early friendship on campus. Always had time and a smile for us lowly freshman. Thanks, for the memories, RIP.....

“ Al was the best and always incredibly professional. He had so much patience with helping us with computers. So many memories of our boys playing in preschool and camping in the Poconos together.
