“ Amy where do we start . 40 years of memories You were our baby girl and a strong Christian women to the end. I am so glad we had a daddy daughter day before you passed. You and mom went to get your nails done. But the most precious moments that I remember are sharing with you and Jeremy every night our day, scriptures, and a blessing. I could be here all day saying things about you. I am so glad that mom and I will see you one day. It is not goodbye but see you later in heaven. Daddy and Mommy
