“ Amy was a kind soul. I knew her through my place of business for years and always enjoyed our conversations. I remember her talking about Blaze and the trip they were planning on taking from the Make a Wish foundation. She had lots of love for a lot of people. She will be missed .

I knew Amy from what I heard and read about her when she played basketball at Lebanon Catholic and as a customer at the bank where I worked. She was such a lovely person. May she rest in peace in the arms of Jesus until we meet again.

“ *Blaze and family.*

I am thinking how wonderful a freind she has been to me. We seemed to always be able to support eachother and never judged eachother. Blaze you know how much our friendship meant. She gave me the most beautiful gift. She gave me Tank her other baby. I will be forever grateful and he will always be safe and loved. That is what you mom always wanted "safety, acceptance, and love. I love you always my freind. May you rest in peace
