“ My deepest sympathy to Lila, Andrea's dad, her brother and sisters and so many others that join me in the loss of Andrea. I worked with Andrea at MET for 5 years and came to know Her beautiful daughter, Lila, through the many wonderful stories Andrea would share. You were and still are the love of her life. 💕 I also came to know that “green” was Andreas favorite color!! Andrea, thank you for the many wonderful memories you have given me over those short 5 years! We never did make that last luncheon....we'll make good on it in heaven some day! My sincere thoughts and prayers to all! - Pam Franchino

“*Andrea was a truly giving soul that would do anything for anyone (family, friends and more). I am so happy to have met her when I did through business relationship and to have made so many memories with her over the years from Jeff Dunham to Haunted Attractions to just hanging out and watching movies or going to Knoebels. It is hard to imagine that we will never go on another adventure or make another trip to Dutch-Way. But I will continue our traditions with Lila and we will honor your memory when we do. A strong loving mother to Lila and friend to so many, she will be truly missed. I send my deepest sympathy, love and prayers to Lila and to the entire family during this difficult time. I will always think of you when I see sunflowers. I love you my dear friend. Rest In Peace.*
