“ I don't often go on FB anymore and so my daughter brought to my attention on the passing of Butch ! I offer my condolences to Bonnie and the whole family ,, I am so very very sorry for your loss. I have many many memories of you guys up on the Hill, and I have to say what I miss the most about being up there is the neighbors who became friends and Butch and Bonnie were the best of both neighbors and friends. Butch did so much for me from all kinds of work at my house to helping me bury a stray kitty who got hit by a car up on the Hill, to hours of snow shoveling and snow blowing. We had the best snow clean up crew in the city and spent many many winters doing the clean up. Butch even helped us move off the Hill which was bitter sweet because to this day I miss the neighbors and friends I left behind. May God Truly Bless you Bonnie.
Sincerely,
Kelly Long
