“ I would like to express my sympathy at the loss of Jeremy. I remember him coming to the house as a young boy. As soon as he would come into the house he would go directly to where the sweeper was! He loved running the sweeper even though it wasn't plugged in. I enjoyed his visits. Please know that you are all in my thoughts and prayers.

“ I just wanted to express my deepest sympathy to Jeremy's family for their loss. He was a true pleasure to be around and will be greatly missed by all of us who worked with him. I am truly sorry he is no longer with us although I'm very grateful that I was able to know and love him. He was an absolute blessing to be around.
