“ Anita was one of the nicest person's I ever knew. She was my across the street neighbor and babysitter when I was growing up and a great friend throughout my adult life. We shared many memories of Rexmont E C Church and Rexmont in general. I will always regret that i didn't spend more time with her in the past few years. Both Anne and I loved you very much and will never forget you. Rest in peace with those that went on ahead of you. I know we will see you again.

“ There was no one else like Anita. She was the most kind and loving person I ever knew. She showed our Savior's love to one and all and impacted so many lives with her kindness, including mine and my family's. She taught by example to be a light for Jesus in our world. I look forward to spending eternity with her. And will be missing her sweet personality till then.

“ *R.I.P Anita Faye..It was truly an honor to be part of your family. To have known this woman...She always showed her love to everyone she knew. Memories of her love will always stay with me...The day she brought my favorite homemade cookies from Rexmont, care packages filled with goodies for her son and I. Always checking in to see if we were okay. My greatest memory was going to her house for dinner. I did not care for onions but her family dish was made with lots of them...So, we sit down and I was reluctant to take any on my dish because I didnt want to hurt anyone feelings...At that moment, she looked at me and smiled and said...See that carrot? Yess...Well, I know that you dont like onion so from that point on....There's NO onion...Go On, Get some!!! My point is...She was the Most caring, loving person you could know. Truly an honor to have known Anita. God Bless!!! And Ray, she will always be watching over you!!!! Im so sorry Ray and Family. Michele Paserini-Singer*

“ I miss you so much already, mom.... I know it was your time, but it definitely doesn't make it any easier... You're flying high with dad and Mark right now... I love you so very much! Words can't describe the pain that you were going through and the pain I'm feeling now without you here... Heaven definitely gained a beautiful angel last night.... Rest in Peace....
