“*Sad to learn of Anna Mary’s passing. I worked for the Hershey Labs and loved and respected her (and all the staff). Anna Mary was our Palmyra friend outside of work too - and Harry served in the Army with my dad (Orville Hetrick) during WW II. They were special folks!*

Hold tight to beautiful memories and she will live on in your hearts forever!

“*My dear sweet funny Great Aunt Ann, I love you and will miss you so very much. I can’t begin to tell you how much our time together meant to me.*

We always had fun, a good laugh, many many lunch dates, and serious talks about life and people. You are sharp and no one pulled the wool over your eyes. You had a great life, gave great advice, and were a good friend to all, especially me!!

At 93, many of your family and friends passed away. YOU ALWAYS TOLD ME that you felt like everyone you loved got on a cruise ship and left you on the shore waving goodbye.

You have finally joined them on that cruise ship ~ enjoy ~ and I will see you all on the other side. ❤️
