“ To the Souders family. I am deeply saddened for the passing of Anthony. He was and always will be a friend / coworker. I will miss our morning talks. His helping himself to whatever breakfast I had brought into work. (Lol) he talked of his family like crazy you could see how much love he had for all of you. Especially his nieces. We were talking one day about me missing a friends wedding. He said don't worry you can come to mine. He loved Nikki with his whole heart. Anthony work isn't the same without you there. It's like you belonged there and it didn't feel like any other employee I've had. I do know your passing away has hit my 3 guys hard. Dan, Andrew and Eli. Anthony I know God must of had a more important job for you to do, after all he only takes the best. Keep that beautiful smile and your quiet nature. I will never forget you my friend. Rest In Peace💕
