“ Dear Tot?, Antoella and family: We were deeply saddened by the death of your father. This must be very difficult for you. You are in our thoughts and prayers. We are certain that you father has passed on to a better place now. You can take comfort and strength from the wonderful family he raised. He forever will live in you; all you need to do is remember the times that you cherish with him. We are destined to arrive to the end of the road and I pray in god that his ending was peacefully. Now you have an angel in heaven looking after you. May God bless you and your family during this time and always. Julio Pe?a and Family.
