“ To Kevin & Lorena Lutz & Denise Sutter, My deepest condolences, sympathy and compassion to you and your family during this very sad and difficult loss of your Son and Brother Arnie. I am deeply sorry for your family's loss. I cannot imagine the pain and suffering you must be going through. This must be extremely difficult. My thoughts and prayers are with you and your family during this difficult time and will continue to be there afterwards as well. Arnie, as many of us knew him, was a very polite, humble, professional young man. I must say that he was very nice, kind, and professional towards me and many other people who he had come across in his day to day business. I pray that God puts his loving arms around you and your family during this difficult time and brings love, sympathy, compassion and healing into your lives. May God bless you and your family and friends. God's Speed and Fly High, Arnoldo Sutter!
