“ *I am so sorry to see about your mother passing. She was so nice to have known. She babysat my girls when I started working and John and Angie became close friends. I just spoke to Deb last week and we discussed how fragile she was. She is no longer suffering and she is not in pain. She is with John and Don. Please know how much she will be missed. I am sorry we missed the service but our thoughts and prayers are with you all. Gwen & Mike Yordy*

“ So very sorry for your loss. I ran into Aunt Babs at Boscovs many years ago. I'd see her occasionally out somewhere. We'd chat a bit . She was always kind to me when I was little and even though she hadn't seen me a lot growing up . She was always so kind and ready to chat. This particular time we chatted for awhile. She was looking at a dress. I asked her if she was going somewhere. She said yes and was thinking of getting the dress. She said she didn't need it though but liked it. I said she should treat herself and get it. She said she didn't know if she should. I said she should . We chatted more and then I left. That was so many years ago but Babs sent me a Christmas card every year and every year she would write something. This year she wrote. Do you remember you telling me to get the dress ? Wow ! Short and to the point. Little did she know I thought of our conversation and how she made my day better that day and if she ever got that dress. After reading that I thought I should write her and ask if she got the dress that day. I never knew. She will be missed.
