“ I am so sorry to hear about Barb's passing. My deepest sympathies. I got to know her when I worked at the veterinary office. Boy she sure was a whippersnapper. I just loved talking with her. Such a caring and loving person especially for her animals.

“ How saddened I was to hear of Barb’s sudden passing. My heart is broken for your family. I always enjoyed meeting up with her at the Lebanon gem shows when Henry, El and I travelled up there. How she loved her family! She loved sharing stories of all of you. I will keep you all in my prayers that you will feel the comfort of God’s loving arms surrounding you during this difficult time. God bless you all. Beverly Post

“ So sorry to learn of Barb's passing. She certainly did love her "kids". I boarded Barb's (and Jim's) Greyhounds several years ago when they had to travel without them. Condolences to her family.
