

Barbara Boger

March 12, 2017

On Sunday March 12, 2017 Barbara Boger reached the end of her life. Despite her efforts, and those of her loved ones, she succumbed to a short intense struggle with Lung Cancer.

She spent her youth in Mt. Carmel and the bulk of her life in Cleona. With her husband, Richard W. Boger, they raised three children, two dogs, many cats and spoiled four grandchildren. Their children are Denni Boger, Brandon Boger and Amanda Rhoads. All were present as she drew her last breath.

In her prime Barbara was active in her community, mostly through the auspices of the Jaycettes. She was a force behind legislation making child safety seats mandatory and available in PA. She was by his side when Governor Dick Thornburg signed it into law.

The family will hold no services. Donations to the Ronald McDonald House in Hershey in her name (another of her prime endeavors) would be appreciated.

“ My heart goes out to you Dick, the kids, and grandkids. My heart breaks for you! It is obvious that she has been such a positive presence in so many people's lives! She had a great way about her! So nice- every time I saw her! A free spirit- for sure! As a child, I also remember secretly listening from the bottom of the steps, while the adults were having lots of conversations and laughs at the Krall house. I can still hear Barbara's voice and her laughter. As a kid, it was so much fun to watch that group of crazy adults! I know that grief is beyond words, but please know that you are in my thoughts.

“ Sincere sorrow about this. Best to Dick and all family and friends. Barbara was a dynamic person who had a big impact on those lucky enough to know her. She was a great member of the AC Village People!

“ To the family of Barbara, I first met Barbara when I managed the toy dept at Boscov's. We became instant friends. Though out the years I saw her at Boscov's, at the auctions, or at dance recitals. She had a style of her on, from her neat purses to her long dresses, she was of a kind and I loved her. As I sit here typing, I can't believe she is gone. I will really miss her. When I saw her in the store, I would call "Barb a ra". Sending hugs and prayers to you. Your friend Sue Whitmoyer

“ I am so sorry for your loss. Barbara and I developed a fun and lasting relationship through loving our grand-daughter Ella Rhoads. We spent many wonderful conversations and made lasting memories that were funny and meaningful. We had plans to take Ella to the Battlefields in Gettysburg this summer. I will truly miss my friend and my heart and prayers go out to her family and loved ones. May God Bless you all with Strength and Love at this most difficult time. Jorita King
