“ I was looking forward to seeing Bea & Marian today and than it was announced at the beginning of the Masonic Village Film class session Bea had passed away. My sincere condolences to each of her family members.I knew something was wrong since I did not hear from her at Christmas or in January. We had made tentative plans to meet.We had became more than acquaintances since 2011.Your Mom was a kind and gentle, thoughtful soul and I will miss seeing and spending time with her. May your many memories help to ease your loss.Remember she will always be with you; she is in your heart.God Bless.Again, my sincere sympathy.

“ Dearest Julie and Sharon, It's hard to write through the tears. Your mother was the most lovely, caring, thoughtful, wonderful lady. You girls were so blessed to have her for your mother. We were blessed to have her as a member of our extended family. She has been a part of my life for as long as I can remember. She was my moms very dearest friend. They went through all of life's ups and downs together. Bea was moms other half. When things were going well for us, Bea would rejoice, when they weren't, she'd be concerned and pray. What a special lady. She was loved dearly and we'll miss her always. With heartfelt sympathy, Patti

“ Julie and Sharon, I am so sorry to hear of your Mom's passing. She was a dear member of our family for as long as I can remember. She was my Grandmother's life-long best friend and a constant source of joy to our family. I will miss her stories. When we were kids, I loved the stories she would tell us about your dogs and geese. And she always had funny stories about Sophia. No grandma could have been prouder! She always found the most clever and funny ways to look at life. That is one of the things I loved most about Bea. She was a source of moral support to many who knew her. She was always quick to offer a prayer, hand to hold or shoulder to cry on. She and my grandma always used to say that they would pass through the pearly gates together - hand in hand. But now she'll be there waiting for Peggy, just as Charlie was waiting for her.
