“ Dan, Marge, Danny, Jen and Shelby. Ben was a big part of our lives and will be missed terribly, Ted and I sat and talked about all the funny things Ben would always say to us. We will always remember the times he had with Brent and Brian growing up. The special times are how he always was there to help Ted when he needed help with things and Farmer Bens garden, how proud he was of that. He did truely touch our hearts in so many ways, and we will cherish all those memories. Ben was like a son to us. I know Ben is with the angels and will watch over all of us. God Bless your entire family. Tammy and Ted
