“ *So sorry for your loss of your mother. Since Ginny and I were friends in school, I was at your house pretty much. Your mom was a Hoot! She loved to tell me stories, some that made me blush! She was always gracious to my coming to your place, and allowed us to sing, dance, and listen to music in the living room. May all of you, Ginny, Connie, Edie, Tom, and John, know that she will always be with you, watching over you. She will now be at peace, and free of all her problems.*

“ Fred and I would like to express our sympathy to the Imboden family. Our prayers that she did not suffer and now is pain-free and with Tom. Guess we lost touch after our kids did not need babysitters anymore. We thought of Ginny and Edie often and with great memories. We are grandparents of 6 and have 1 great-grandson. Our prayers are with you and we know you have many great memories of Mom and Dad.
