“ Dear Ebersole Family, I was saddened to hear of Beth's passing. She was such a warm, generous person. I used to love spending time at your family home. You were all so welcoming of outsiders, most especially Beth. She always treated you as if you were one of the family. Even after losing touch, when I would occasionally see her out and about, she still greeted me with a warm welcome as if no time had passed. I feel very lucky I was able to have spent my formative years with you all. I will be forever grateful to have had that opportunity. Deepest Condolences, Danielle Green

“ Dear Lynn and girls, My deepest condolences for the loss of your wife/ mother. I will always remember her kind, caring and gentle ways in which she interacted with others. I appreciated the faith she had in me to babysit all four girls on my own, even though I was a young teenager at the time. Prayers for peace and comfort during these difficult times. Sincerely, Teresa Stump

“ Dear Ebersole Family, Monte and I only knew Beth through our nephew, Ryan Carson, who is married to Mary. By casually knowing her, we feel sad that we did not develop a deeper relationship with her. She seems to be a genuine, and loving person. Our deepest sympathy, Kathy, Monte, Geoffrey, and Rebekah Close
