“ To the most beautiful woman in the world. You are not only my best friend, you are my sister, you are my family! If ever there was a need for an explanation of what unconditional love was you had it! You gave it to everyone and so many of us had it for you. Your presence in this world will be greatly missed but we will see each other again one day and I know you'll be waiting for me with arms wide open. Always & Forever, Forever & Always
