“ Rest In Peace Betty. We have many fond memories of Betty Lou from Dover NASCAR Races, Hemlock Archery Club Smokers and the Rising Sun. Your laugh was contagious.

“ I could never ever thank you enough for the things you have done for me. You were so fun. Everybody loved you. It felt special to be your grandchild. I loved how fancy you carried yourself. Always getting your nails done. And your Avon watch and bracelet sets. You always sent someone to put gas in your car because you didn't pump it yourself. I miss your smell. And I really miss your voice. When I'm old and grey and the good Lord calls me home... I will have no fear. I will be delighted to come spend eternity with you.
