“ To Jessica, Tiffany, Paul, Derek, and the rest of the family—please accept my deepest condolences on the passing of my sister. After nearly fifty years apart, it meant more than words can express that Bonnie and Cindy found me here in California. That reconnection will always be something I hold close.

My thoughts and prayers are with all of you during this difficult time. May you find comfort in one another, strength in shared memories, and peace in knowing how deeply she was loved and will always be remembered.

With sincere sympathy and respect.
