“ *Aunt Phyllis, Mark, Barry, Greg and families - my thoughts and prayers are with you during this difficult time. I have many fond memories of Uncle Brad from my childhood. I will fondly remember his booming voice and his laugh. I appreciated the way he talked to me like a grown-up even when I was a kid, and his support of my mom over the years has been priceless. I know he made a difference in the lives of those who knew him. He will be missed.*
