Visits to Ebenezer at your house. Your mom and my mom giggling away on the sofa. She loved cats too just like you and I. I wish I had come down and visited when u invited me but then the Covid happened. You were always special and a great family man. Your cousin Pauline Ebling Nash ( was called Polly Ann back then)❤️🙏

“ As a tooling coordinator at TE, I would always get a visit at 6:30 am from a smiling die repairman. Some mornings we would talk about die problems, but most mornings we talked about Challengers, Chargers and Barracudas. Brad will be missed by all of us on the magmate team. God bless.
