“ Donna and Danny We are in shock and devastated by the loss of Brian. He was special to me because he was so much fun and could really play those video games. I will miss him. It is like losing my own son and my heart goes out to you both. He was a gifted artist and I remember a painting in your living room done by him. Our hearts also go out to his wife who he was lucky to have in the short time they had. God bless you all with much love and peace. Jan, Wes, and Brian and Sarah.
