“ I didn't know Carl well but from some of the times we spent together he was a gentle giant. A good and kind man. There are no words of comfort for this terrible loss within our family. The world has lost a wonderful light. I have no specific memory but always knew when in his company an acceptance and caring from him. My heart goes out to all of you. In the last 5 months you have had 2 major losses and I can not begin to know how that feels. Overwhelming is the best word I can come up with. My heart and prayers goes out to each and everyone of you. If you need anything please let me know. Much Love and take care. Your cousin, Barb
