“ *In loving memory of my beloved uncle Carl. While we mourn your loss here on earth we know that you loved the Lord and that you are now present with him, reunited with dear Dottie. Some of my most treasured memories are visiting with you and Dottie on Sunday afternoons there at your home on East Glenn Road in Hershey. You sure loved Penn State football, talking politics, and loving those wonderful poodle dogs you had over the years. I will never forget the one day in May, 1981, that I stayed overnight at your home because I was spending a day in the NICU at Hershey Medical Center so that I would not have to drive back and forth from Lancaster. What a treasured memory! Thank-you also for your service as a house parent. Uncle Carl had a servant's heart, and I was so blessed to have him as an uncle. My deepest sympathy to Steve and his family. May the peace of God which passes all understanding be with you at this time of loss.*
