“ *The last time I've seen my paternal grandparents was when I was 12 years old, I'm so sad to see that my Paw Paw has passed and that I found this a little too late. I have a lot of fond memories and have missed them over the years. Rest in Peace Paw Paw. I would love to reconnect with my family. shawnl69sss@gmail.com*

“ *I am a third cousin through my mother, Rebecca Reichert. My condolences to the family for your loss. My prayers are with you. Carl was a good man and I remember visiting PA a few years back with my husband. We went to Heisey's Diner and Carl recognized me immediately and came to sit with me and my husband. It took me a minute to realize to whom I was speaking and we all had a good laugh and a good chat.*

“ We always live too far away too get to know him very well but am very glad my children got to meet him. I remember every time we did get to visit he would light up with pride showing us all his woodworking. He loved sending us home with one of his works. The last time we got to see him I got to watch him light up as he showed my brothers and sister and my children his magic tricks. I am grateful he shared that part of himself with me and my children and that we can remember him that way.
