“ Carl was that friend you would go months or even years without seeing but no matter how long it was we would pick right back up where we left off. You'll be greatly missed and I'll remember all the good times we shared throughout the years. Rest easy brother, until we meet again.

“ Carl, I didn't know you but am a coworker of Brittany. Reading these memories it tells me you were a wonderful guy; a proud soldier, a loving husband, father, son, and brother, a great mechanic, and a good friend. “ WM Carroll Inc ,will always remember all the laughs Carl would give us daily along with the great service he gave. He was a perfectionist and was proud of it. He would always help me find my tools n phone I'd misplaced 3000 times a day and could operate my heavy Mack Big Marty like no other,,,He was my best freind, my consoler,and fellow soldier. My world is dark without him,however I know he is up above hanging out with a lot of loved ones and grabbing cool cars to build for that race track in the sky,,,Carl was the best crew chief I would ever know . Thank you Carl,,and I can't wait to do it all over again when I see you one day!
