“ I'll always remember her kindness and her smile. Towards the end I would make it a point to help her smile. I haven't given her many reasons to smile in the past. So I did my best to let her know I'm on the right track now with my wife kelly. So it would be one less thing for her to worry about. She was kind, caring and had a heart of gold. I love you mom and I will miss you so much.

I am blessed to have helped the entire family through this. You made me realize how much I miss Healthcare & how much family means making precious memories. Life isn't all about social media. Just ordering many things from Amazon. Lol. Those talks were priceless. We had some great conversations before you passed. Jack & I made sure to let you know we'd always be there for Terry. That promise we will keep. 100%
Since then my husband & I have had helpful talks with Terry. Mostly, how to make sure we take care of our finances. We love you both so much. You will be missed tremendously & we'll be sure to take care of the wildlife & stray cats that show up. ❤️
