“ Sorry for the delay, I just learned of her passing. Our condolences to the family. I enjoyed working with Carla at Lebanon Mediation Services. She was a real asset and very good "people person" when working with folks who were having problems. She was also a good person to know personally, I fondly remember the times we spent in conversation together. We'll keep the family in our prayers knowing that Carla is entering her new life in her Father's home.

“ We were friends years ago through helping with the boys and military life when Bill was stationed at FTIG. When Carla and her family were leaving FTIG to move to another station we took care of the families pets as they were packing. The last thing I said to her as they were leaving was "Never say Good-bye, say See you later and know in your heart you will". Carla had reached out to us again when they moved back to the area after Bill retired, we helped they move into their Lebanon house and now she has moved onto the Lord's house and I will still say "Never say Good-bye, say see you later and know in your heart you will."

“ *Carla you're going to be missed very much. Sending our love to you Bill and the kids. I am not carrying the deviled eggs Carla. If I drop them like last time I'd be in trouble and you'd be up there laughing. I'm not going to say goodbye but see you later. Love Rick and the kids.*
