“ I am heartbroken at the loss of my nursing school classmate. Carol and I were roommates for 2 years and friends for 55 years. I was in Carol and John's wedding. We lived miles apart but always stayed in touch. We reunited for our 45th nursing school reunion. I was blessed to see her one last time in October 2021 when she was able to go out to dinner with us. We shared memories and hugs for the last time. I will miss my friend.
