“ My sincere condolences to Ed, Jackie, Bryle, Kira, and the entire Zicker/Morgans’s family. My relationship with your mom was limited to a few years in high school long ago when she and Ed often volunteered as a dedicated chaperone and worked to assist with the bands adventures and success. It was clear to me then and throughout the years since that she was a sweet, reliable, and trusted woman to everyone that was fortunate to have met her, and no doubt a wonderful mother and grandmother. My mother and I enjoyed seeing her and Ed a few years ago when they visited us in Bethlehem, and my mom enjoyed chatting with her occasionally as well as seeing photos and posts from holidays and family adventures on Facebook. I know this is a difficult time but hope you all can find comfort in the many great memories of times spent together with such a lovely woman, as memories are all any of us really have.
