“ On behalf of all of Carol's friends at the Annville Senior Community Center I want her family to know we share their grief. Carol was one of our most active participants and a was a volunteer who was always willing to help (Thank you for that, Carol). Carol added personality to our big meeting room as soon as she walked in the door. To say that she will be missed would be an understatement. Those who were on the full bus that went to the Christmas Show at the American Music Theater will remember when she began singing Christmas carols on the way home, leading others to join in. Those who played bingo with her will remember that she won a lot of games and when she called out the word "Bingo" she put the accent on the "O" and made it two syllables. Thanks for helping to make the Center a fun place to hang out, Carol!

“ So sad to hear of Carol's passing. She was my boss when I worked at Nichols. Such a nice caring lady. I enjoyed working there. She loved her family.  
Rest In Peace, my friend.  
I will cherish my memories of all our times at Nichols.  
Heaven has received another ANGEL.
