“ *Dear Carole, you made such a difference to everyone that knew you. We all looked forward to seeing you each month, and missed you when you were not there at Support Group meeting, You always had a way to make Dave open up and talk about his frustration with MS, and helped him to be ok, with leaving work due to his illness. I hope heaven has endless chocolate ice cream and coffee for you :). You will be forever in our hearts. I hope you are dancing, walking, running in heaven right now. Our condolences to your whole family, as I know they miss you so much.*
