“ My Aunt Tuby was a wonderful and caring person. When I was little I spent a lot of time with her and my Uncle Wayne, they took me with them to different places. and she was a wonderful sister to my Mom, Mary, they were very close and spent a lot of time together. She was very thoughtful and caring to everyone. We loved her very much and she will be greatly missed.

“ I missed out on a lot of time with my Grandma. I was able to discuss it with her a few months ago. She held my hand and told me that she loves me just as much as everyone else. I told her all the things I remembered about her. The sleep overs, the mints in her purse, her flowerbeds and her sweet bologna sandwiches. She made the best spaghetti and my Pappy taught me to make a spaghetti sandwich with buttered bread. I still eat it then to this day. She told me one of her favorite memories. She and Pappy took my cousins and I to Knobles for the day. She remembered sitting near the carousel and listening to the music while we all ran back and forth. She recalled looking back and seeing us all lined up next to each other in the back seat. I am so fortunate to have had that conversation with her. I will cherish it forever. I love my Grandma and I love my family. ❤️

“ My grandma was one of the best grandmothers around. She always took care of me when I needed her. I spent majority of my youth with her. She was always at my sporting events whether it was bowling, basketball or T-ball. My greatest memory was waking up at her house and having bacon and dippy eggs ready for breakfast while she was making chicken corn noodle soup.

I love and miss you so much Grandma.
