“ Carrie was a special lady and friend. My Mother and Carrie lived at the same home in there last days and Carrie was a sweet heart and loved to sing along with my Mother Anna Mae Fittery at song time. Carrie's favorite song was one that was often used at Billy Graham's crusade's "His eye is on the sparrow" and I know he is watching over me"and she knew all the words but it was not in any of the song books they used at the home. Now Carrie & my Mother are both in heaven and I am sure Carrie is singing his eye is on the sparrow and he is watching over me! Carrie and Mother were both singer's and very special! May they both rest in peace in his loving arms!
