“ To the Family, So sorry to hear about Carrie's passing. She was the best neighbor and friend who was always there to help others. I will cherish the wonderful memories we shared together at her home, always enjoying her delicious cakes, which I have recipes for. Carrie was a generous, kind and beautiful lady who always had a smile on her face for all. My deepest sympathy and prayers are with all of you.

“ Dear family, I'm sure you don't remember me but I was a constant visitor at your parents house playing cards with her and your father. She truly loved the challenge. I lived across the street from your mother and enjoyed her company and humor very much. Please accept my deepest sympathy for your loss. I shall always remember her with love and kindness.
