“ *I met you 5 years ago and I loved you instantly. You were a great addition to my family. You and Becky had ups and downs but I never knew the pain you were going through. I always said that you were not my daughter in law but just a third daughter. I will miss you so much. I hope that you are at peace. Fly high my third daughter! I love you!*

“ Wright,

My heart is hurting knowing that you are no longer with us. I will never forget the laughs we had at work and all the stuff we used to talk about. You were such a great person and such a fun coworker! I am so sorry you were going through so much :(I am sorry that your children will miss out on such a great mother. I am sorry that things weighed heavy on your heart. God definitely received an angel and I pray you are happy and at peace. Rest easy and my prayers are with your family

“ This is such heartbreaking information!

I met Wright (Cassie) at Lancaster County Prison several years ago. I sit here, tearing up while writing this, reminiscing the memories that I will cherish forever. Your stories always made me laugh and your advice always came solely from the heart. I cherish your realness, helpfulness, and sarcasm! I'm lost for words.

Love, your friend,

Jen Engle
