“ Our heartfelt sympathy in the passing of your Mother . I met Catherine soon after she came to the Lebanon Valley Home. My sister arrived shortly after her and they became friends, kindred spirits. She was the best friend anyone could have and I being so far away was so comforted that she was with my sister daily. When my sister could no longer speak she spoke for her. How blessed we were that God brought us all together. She told of a wonderful experience the morning my sister passed away. I too felt a closeness to her. A dear dear friend. I will cherish that friendship always. Though many miles separated us I will always remember all of our visits and occasional phone calls. I am very thankful for her kind and loving friendship.
